**REGISTER AT WA.EDU/DISCOVER**

## Tuesday (continued on page 2)

**Sports Clinic**
Grades PK3-PK4 with Mrs. Bennett
Unlock your child's potential at our exciting Sports Clinic! Our program is designed to foster strong gross motor skills in a fun and engaging way. Through a variety of age-appropriate activities and games, your little ones will develop coordination, balance, and agility while building a love for physical activity.

**Tiny Dancers**
Grades PK4-2 with Mrs. Johnston & Mrs. Airdo
Our tiny dance learn and perform a routine each quarter. They explore all different styles of dance and continue to grow in confidence as well enhance their ability to memorize a routine.

## Monday

**STEM Smarties Jr.**
Grades PK3-PK4 with Mrs. Jatoft
A fun science club for our PK friends to learn about the scientific method and do fun experiments.

**STEM Smarties**
Grades K-5 with Mrs. Farrar
If participating in awesome science experiments, creating and building structures, making mazes, and so much more sounds like fun, STEM Smarties is the club for you!

**Cheer Club**
Grades K-5 with Mrs. Applegate & Mrs. Johnston
Students will be trained in basic cheer techniques, motions, jumps, tumbling, stunting, and pom routines. Cheer helps improve coordination and memory while building school spirit. First quarter cheerleaders will perform at the WA Varsity football homecoming tailgate.

**Ceramics**
Grades 3-5 with Ms. Salas
Students will learn to create using the ancient art of ceramics, they will hand build with pinch, coil, and slab techniques while developing fine motor skills, creativity, and confidence. Students will also learn about the glazing and firing process.

# AFTER-SCHOOL ENRICHMENT CLUBS

## Tuesday

### STEM Smarties
Grades K-5 with Mrs. Farrar
If participating in awesome science experiments, creating and building structures, making mazes, and so much more sounds like fun, STEM Smarties is the club for you!

### Passports Around the World
Grades 3-5 with Mrs. Parzich
Students will have an exciting opportunity to explore a new country each week! Students will learn fun facts about the country's culture, traditions, landmarks, and everyday life, enjoy a special snack inspired by that country, and create a hands-on craft. The club encourages curiosity, creativity, cultural awareness, and social skills as students learn and create together while "traveling" around the world!

## Wednesday

### Soccer
Grades PK3-1 with Coach Castro
Students will learn the rules of the game, improve skills, run drills, and play a game at the end of each session. Soccer provides physical activity, social skills, and character building.

### The Sandlot
Grades 1-5 with Coach Pelland
Students will experience a different sport or game each week, including Wiffle Ball, Basketball, Football, Street Hockey, Soccer, Capture the Flag, Kickball, Dodgeball, and more. Designed for children of all skill levels and emphasizes fun, friendship, teamwork, sportsmanship, and the development of athletic skills in a positive, encouraging environment. Every week gives kids the opportunity to stay active, try something new, compete, and create lasting memories through the joy of play.

### Glitz and Grit
Girls in grades K-5 with Coach Jarvis & Coach Wallhoff
The Glitz and Grit Enrichment club will introduce new/familiar sports each week to our female students in grades K-5 in hopes to create some excitement, passion and interest for the sport! During the quarter we will cover volleyball, soccer, basketball, softball, track, etc. Each student will also learn how to compete through grit, passion and teamwork with a Christ-like attitude!

## Thursday

### Little Lions on the Move
Grades PK3-K with Coach Gonzalez
Little ones will have fun moving and grooving through simple activities. Each session will focus on helping students develop better fine and gross motor skills.

### Art
Grades K-5 with Ms. Salas
Students will be able to explore their artistic side and visually express themselves using a variety of techniques and mediums.

### Soccer
Grades K-5 with Coach Castro
Students will learn the rules of the game, improve skills, run drills, and play a game at the end of each session. Soccer provides physical activity, social skills, and character building.

## Friday

### Fun Swim Friday
Fun Swim Friday Grades PK4-5 with Coach Freas & Coach Castro
This will be a fun time of free swimming, water volleyball/basketball, use of the diving board, and games with lifeguards on duty. This club will provide opportunities for physical activity and the development of social skills. Both our pools are heated and lifeguards are on duty. Life vests are also available

### iQ Lab Extravaganza
Grades K-5 with Mrs. Hopkins
Tech/Design extravaganza of FUN in the iQ lab! Build marble runs and race tracks, design a giant Rube Goldberg machine, and program robots. Build and code Legos and let's not forget everyone's favorite, 3D printing! This club is 100% fun mixed with learning. Join this club to sharpen coding skills, design like an engineer, and tinker with 3D design.
